

# 2011 INCREDIBLE EDIBLE FESTIVAL

EVENT: SATURDAY, SEPTEMBER 24, 2011

## Sponsorship Opportunity

INCREDIBLE EDIBLE FESTIVAL 2011 promises to be an exciting community event again this year!! Last year's festival proved to be a big success. We had over 500 attendees participate and expect more this year. Many of the visitors to the festival enjoyed tasting the variety of foods provided, looking at the vendor displays and being entertained by the contests. The festival will offer a variety of activities again this year and will offer some new ones, including: food, classes, demonstrations, food, vendor exhibits, food, contests, and much more. Of course, the focus of the event is on food - it is the "Incredible Edible Festival." Oh, did I mention it will include food???

On behalf of the Sequim-Dungeness Valley Chamber of Commerce we invite you to support this festival and become a sponsor at one of four different levels. The levels of sponsorship are on the following page and describe the benefits of becoming a sponsor. Sponsoring businesses will be provided extensive advertising and media exposure as it pertains to the festival. Take a look at our website [www.IncredibleEdibleFestival.com](http://www.IncredibleEdibleFestival.com) for more details and to obtain extra sponsorship applications.

Your contribution in cash or in kind will help make this a memorable event! Proceeds allow the Chamber of Commerce to enhance their programs and support the businesses within the Sequim-Dungeness Valley.

If you have questions, please contact us!! Thank you for your support.

Sincerely,

Nanc Smith
